

4-5 October 2024

İstanbul Medipol University Conference Hall İSTANBUL TÜRKİYE

Scientific Program

04.10.2024 Friday			
09:00-09:15	Welcome and Introduction	Mustafa Oncel & Peter Wysocki	
09.15-10:45	SESSION 1: BASIC SCIENCE		
	Chairs: Feza Karakayalı, Steven Brown		
09:15-09:25	Incidence data	Ida Kaad Faurschou	
09:25-09:35	Hair / Sweating / obesity / "cleanliness"	Dietrich Doll	
09:35-09:45	Unknown high risk populations	Dietrich Doll & Susanne Haas	
09:45-09:55	Anatomical variations and recurrence	Dietrich Doll & Susanne Haas	
09:55-10:05	Observation bias in PSD studies	Dietrich Doll & Susanne Haas	
10:05-10:15	Large data – hypothesis generation	Dietrich Doll & Susanne Haas	
10:15-10:25	National cohort – hypothesis proof	Susanne Haas	
10:25-10:35	Recent literature review and comparison of guidelines	Ayca Gultekin	
10:35-10:45	Transition from excisional to minimal invasive procedures	Cüneyt Kayaalp	
10:45-11:00	■ Coffee break		
11:00-12:45	SESSION 2 : HOW I DO IT		
	Chairs: Peter Wysocki & Cigdem Arslan		
11:00-11:10	Pit-picking and Lord Millar	Igors lesalnieks	
11:10-11:20	Phenol	Mehmet Eren Yüksel	
11:20-11:30	Laser	Onur Aydın	
11:30-11:40	EPSiT	Özgen Işık	
11:40-11:55	Cleft lift	Tom Bascom	
11:55-12:05	Karydakis flap	Peter Wysocki	
12:05-12:15	Limberg flap and modifications	Mehmet Kaplan	
12:15-12:30	Perianal rotation	Steve Immerman	
12:30-12:45	Discussion		
12:45-14:00	¶¶ Lunch		
14:00-15:15	SESSION 3: PROM		
	Chairs: Steve Immerman & Mustafa Ateş		
14:00-14:10	Primary prevention	Dietrich Doll & Susanne Haas	
14:10-14:25	Preventing recurrence	Dietrich Doll & Susanne Haas	
14:25-14:35	Psychiatrist	Taha Can Tuman	
14:35-14:50	PITSTOP study results	Steven Brown	
15.00 15.15	D. ditarana	B : 111	
15:00-15:15	Decision regret	Peter Wysocki	
15:00-15:15	□ Coffee break	Peter Wysocki	
		Peter Wysocki	
15:15-15:30	SESSION 4: SELECTED FREE PAPERS Chairs: İlker Sücüllü & Cüneyt Kayaalp		
15:15-15:30	Coffee break SESSION 4: SELECTED FREE PAPERS	on survey young patients	
15:15-15:30	Chairs: İlker Sücüllü & Cüneyt Kayaalp * 19 Friederike Weber Karydakis surgery for pilonidal sinus – results of the patient satisfaction * 21 Friederike Weber Increased risk of early pilonidal recurrence following Karydakis flap in y * 4 Ibrahim Ozata APPROACH OF GENERAL SURGEONS TO PILONIDAL ABSCESS MANAGEM STUDY	on survey young patients IENT IN TÜRKIYE: A NATIONWIDE SURVEY	
15:15-15:30	Chairs: İlker Sücüllü & Cüneyt Kayaalp * 19 Friederike Weber Karydakis surgery for pilonidal sinus – results of the patient satisfaction * 21 Friederike Weber Increased risk of early pilonidal recurrence following Karydakis flap in y * 4 Ibrahim Ozata APPROACH OF GENERAL SURGEONS TO PILONIDAL ABSCESS MANAGEM STUDY * 30 Noor Huurman Acute pilonidal abscess: prospective nationwide audit in the Netherlands * 37 Ida Faurschou Burden of disease in Pilonidal Sinus: a study comparing the specialist's verification.	on survey young patients IENT IN TÜRKIYE: A NATIONWIDE SURVEY
